

Great news for Blade Farming cattle finishers.

Aberdeen Angus producers:

Blade Farming has increased the 'Forward price' on their Aberdeen Angus contracts. For new contracts signed after the **1st November 2010**, cattle that meet the required specification will be paid on a guaranteed minimum base price of **£2.95 p/Kg dwt**

'Pain and Gain' contracts:

Prices on the 'Pain and gain' contracts have also progressed, and these new contracts, if signed after the **1st November 2010**, will have a 'mid-point price' of **£2.85p/Kg dwt**

For more details of these new contract prices, please contact the Blade office.
