6				<p>The cattle on the holding are not under movement restrictions for any other reason (excluding 6 daystandstill). Withdrawal periods have been observed for all veterinary medicines and other treatments administered to the animals on this holding and previous holdings. To the best of my knowledge the animals are not showing signs of any disease or condition that may affect the safety of meat derived from them. No analysis of samples taken from animals on the holding or other samples have shown that the animals in this consignment may have been exposed to any disease or condition that may affect the safety of meat or to substances likely to result in residues in meat. I Hereby Declare That

- All the relevant criteria as set out in ABP UK's Terms and Conditions have been met.
 - The cattle listed have resided on an unbroken chain of farm assured holdings for a minimum of 90 days immediately before delivery.
 - All cattle are accompanied by a valid passport and are double tagged prior to arrival at ABP UK.
 - All animals were fit for transport at the time of loading.
- All cattle need to be booked in with the livestock office prior to arrival to receive the AA bonus.
- To the best of my knowledge the cattle listed have not been treated with Quinolones, 3rd and 4th generation Cephalosporins or Colistin. Details of antibiotics within these categories can be accessed via <https://abpfoodgroup.com/agriculture/livestock-policy/>
